I clambered over mounds and mounds  
Of polystyrene foam  
Then fell into a swimming pool  
Filled with fairy snow  
And watched the world turn  
Day-glo you know you know  
The world turned day-glo you know  
I wrenched the nylon curtains back  
As far as they would go  
Then peered through perspex window panes  
At the acrylic road  
I drove my polypropolene car  
On wheels of sponge  
Then pulled into a wimpy bar  
To have a rubber bun  
The x-rays were penetrating  
Through the latex breeze  
Synthetic fibre see-thru leaves  
Fell from the rayon trees
