FLAMES OF ADDICTION

(Too hot to handle Mix)

Music & Lyrics By Xander Gibb ©1995.

Verse 1

Love is a drug that can kill you baby  
Lust sets your body on fire  
It burns so deep, something you can't keep  
You can't control the desire

Chorus

Flames of addiction  
Burning through my soul  
Flames of addiction  
Make me less than whole

Verse 2

Love made me feel secure & safe  
I'm driven to distraction  
The phoenix from the ashes rose  
In the heat of satisfaction

Chorus

Flames of addiction  
Burning through my soul  
Flames of addiction  
Make me less than whole

Middle Eight

Pour some water on me  
Dampen the flames  
I aint got a clue  
Why you're playing these games  
I feel the heat I feel the pain  
Is your love a lie I can't take the strain  
You've ignited something, Deep inside of me  
Burning yearning not discerning  
Wont you set me free.

I'm standing in the embers  
Your smoking I can see  
Come on now you know you can  
Come and set me free

(Flames of addiction)

(Flames of addiction)

Come on now you know you can

Come and set me free

Verse 3

It time for decisions babe, As I continue to perspire

Do I withstand the heat or, Do I get out of the fire?

Chorus

Flames of addiction

Burning through my soul

Flames of addiction

Make me less than whole x2

Bridge

I feel the heat I feel the pain

Is your love a lie

I can't take the strain

You've ignited something

Deep inside of me

Burning yearning not discerning

Wont you set me free.
