TOIL IN VAIN

(Ponder Mix)

Music & Lyrics By Xander Gibb. Â©1997.

Verse 1

Although I've only known you a while  
I must have been attracted by  
Your eyes and your smile  
And the way that you always look at me  
Makes me feel so special  
When I'm with you, you see

Chorus

Don't let me toil in vain for you loving  
Don't let me toil in vain for your sweet caress  
Don't let me be misunderstood  
Cause I new you'd grow to love me  
Like I knew you could

Verse 2

I know that I am falling in love  
I feel that you've been sent to me  
from heaven above  
My prayers have been answered  
And I can see.....

Finally I found the right one for me

Chorus

Don't let me toil in vain for you loving  
Don't let me toil in vain for your sweet caress  
Don't let me be misunderstood  
Cause I new you'd grow to love me  
Like I knew you could

Bridge

You never know how you made me feel the pain  
You let me toil in vain x2

Verse 3

So in making your decision be sure  
Bearing in mind all that I've  
Said before  
That you are the only one for me  
Consider all things baby  
Its your love that I need

Bridge

You never know how you made me feel the pain

You let me toil in vain x2

Chorus x2 to fade

Don't let me toil in vain for you loving

Don't let me toil in vain for your sweet caress

Don't let me be misunderstood

Cause I new you'd grow to love me

Like I knew you could
