Don't need no ticket,
Don't need no reservation,
I got my table set for 2,
Dont bring your money,
just your imagination,
for all the things that we can do.

I skip my entree and stick to table water,
i've got my main course for desert.
I dim the lights,
dj can take a hike,
Cos we dun need no chaperone tonite.

chorus
cos all i want is wat you got
All seats taken
And all i dont is wat your not
no mistaking,
cos all i want is wat u got
all seats taken
so dont you bring a crew
im all booked up for you

some come on closer
this aint no business meeting
so you dont need no shirt or tie
and tell your friends, i dont really mean
no offense
its a private invitation
this place has got a lock out tonight

chorus
cause all i want is what youve got
all seats taken
and all i dont is what you're not
no mistaking
and all i want is what youve got
all seats taken
so dont you bring a crew
im all booked up for you

all booked up

and nothings gonna change my mind (all booked up)
cause no ones gonna waste our time (all booked up)
so come and make my dreams come true
im all booked up for you

I dim the lights,
dj can take a hike,
Its a private invitation,
this place has got a lot 2 give

chorus x2
