All booked up for u

dont need no ticket
dont need no reservation
i've got my table set for two
dont bring no money,
just your imagination
for all the things that we can do.
I skip my entree
n'stick to table water
i've got my main course for desert
i dim the lights
the dj can take a hike
cause we dont need no chaprone tonight

Cause all i want is what you got
all seats taken
and all i dont is what you're not
no mistaken
and all i want is what you got
all seats taken
so dont you bring your crew
im all booked up for you
for u
im all booked up for u

some come on closer
this is no business meeting
so you dont need no shirt or tie.
and tell your friends, i dont really mean
no offense
its a private invitation
this place has got a lock out tonight

cause all i want is what you got
all seats taken
and all i dont is what you're not
no mistaking
and all i want is what you got
all seats taken
so dont you bring a crew
im all booked up for you

all booked up for u
and nothings gonna change my mind
cause no ones gonna waste our time
so come and make my dreams come true
im all booked up for you

All booked up
the dj can take a hike
cause we dont need no chaprone tonight

cause all i want is what you got
all seats taken
and all i dont is what you're not
no mistaking
and all i want is what you got
all seats taken
so dont you bring a crew
im all booked up for you x2
