From Rochdale to Ocho Rios  
From Ocho Rios to Dorking  
From Dorking its back to Rochdale  
From Rochdale to Ocho Rios

You spend half your life in transit  
But that's just the way God plans it  
Pack a shirt and some fresh pajamas  
That's all you need

Tried to get a flight out to San Juan  
But Air Jamaica don't fly on Sunday  
Gotta get a flight out to San Juan  
Because I wanna see the Mama and the Papa

When I look into your blue eyes  
I bend the truth but I never tell you lies  
I need my lover, I need your care  
Understandings not enough to make it fair

From Rochdale to Ocho Rios  
From Ocho Rios to Dorking  
From Dorking its back to Rochdale  
From Rochdale to Ocho Rios

Asleep in a stream of sunlight  
Awake in a dream at midnight  
I'm rushing to wait for jumbo  
Oh where am I now

Tried to get a flight out to San Juan  
But Air Jamaica don't fly on Sunday  
Gotta get a flight out to San Juan

Because I wanna see the Mama and the Papa

A dressing room so far from home  
A corridor with a broken telephone  
I wanna call but I got to go  
The curtains up and it's time to do the show

Show time!

I just got in to the city  
Yeah, it's so insane  
But the man with the suitcase  
is on the road again

Tried to get a flight out to San Juan  
But Air Jamaica don't fly on Sunday  
Gotta get a flight out to San Juan  
Because I wanna see the Mama and the Papa

Asleep in a stream of sunlight  
Awake in a dream at midnight  
I'm rushing to wait for jumbo  
Oh where am I now

You spend half your life in transit  
But that's just the way God plans it  
Pack a shirt and some fresh pajamas  
That's all you need

Everybody sing!  
From Rochdale to Ocho Rios  
From Ocho Rios to Dorking  
From Dorking its back to Rochdale  
Oh where are we now
