Well

Good morning Judge

How are you today ?

I'm in trouble please put me away

A pretty thing took a shine to me

I couldn't stop her so I let it be

I couldn't stop her so I let it be

I couldn't stop her so I let it be

I couldn't stop her so I let it be.

He didn't do it

He wasn't there

He didn't want it

He wouldn't dare.

Well good morning Judge

Yes I'm back again

I'm in trouble so it's back to the pen

I found a car but I couldn't pay

I fell in love and I drove it away

I fell in love and I drove it away

I fell in love and I drove it away

I fell in love and I drove it away.

He didn't do it

He wasn't there

He didn't want it

He wouldn't dare.

I didn't do it

I wasn't there

I didn't want it

I would'nt dare.

Alcatraz is like a home sweet home
I'm so wanted and I'm never alone
San Quentin is the place to be
I'm so happy and I don't wanna be free

So happy I don't wanna be free

So happy I don't wanna be free

So happy I don't wanna be free
