My baby, she's crazy, she's lazy  
So she's always bummin' around  
Girls in France don't stand a chance  
'Cos I've always got my baby around

So, don't touch her  
Oh, it's so fine, and you know what's mine is mine

At night we, sleep tight we  
Stay close together 'cos the temperature's down  
But baby, says maybe  
Each time I try to get my fingers around

Please don't touch her

Sittin' with a tentpole, what a bloody jamboree  
Listen to our motto, be prepared for ecstasy  
Here comes the bride

My baby, goes topless

And brings her beauty to a bottomless day  
She's bathing, al fresco  
And all her mystery is there on display

So, don't get too close  
Oh she's so fine, and you know what's mine is mine

Ooh it's a drag when you're hitched to a dream  
And the boys in the gang think she's part of the  
scenery  
You're never alone and the tension is painful to see

One night I, crept in and,  
Got on my knees and tried to make her my wife  
One reef knot, two grannies  
And we were bound to stay together for life

Now we'd like to....
