## "Lost In Love"

A far bit beyond this place  
All the stars have been cast  
You may try to resist the pace  
But it's happening too fast  
The desire is so strong  
Yeah you got to concede  
There's no way to escape from the trap  
We are slaves to our needs

And we're lost in love  
(Y'say) We're lost in our love and we can't find a way  
And we're lost in love  
(Say it) We're lost in our love and we're destined to stay  
together  
Whoa, heart to heart, forever  
Whoa, heart to heart, together  
Whoa, heart to heart  
Heart to heart

The stage has been set tonight  
And the die has been cast  
Curtain up and the music begins  
Oh the audience cares???  
Tragedy is feelin'  
For the rest of your days  
Nothing will ever compare to the thrill of the stage

And we're lost in love  
(I'm sayin') We're lost in our love and we can't find a  
way (baby, baby)  
Lost in love (no, no)  
(Sayin') We're lost in our love and we're destined to  
stay together  
Whoa, heart to heart, forever

Whoa, heart to heart, together  
Whoa, heart to heart  
Heart to heart

Curtain will fall at the end of the day  
Guardian angels will kill for their pay  
Impossible dreams have to end

Let the crowd disappear, we've got nothing to fear

We're lost in love  
We're lost in our love and we can't find a way  
We're lost in love  
We're lost in our love and we're destined to stay  
Lost in love  
Lost in our love and we're destined to stay  
Lost in love  
Lost in our love and we're destined to stay  
Lost in love  
Lost in our love and we're destined to stay  
Together, whoa  
We're lost in love  
We're lost in our love and we can't find a way  
We're lost in love  
We're lost in our love and we're destined to stay  
Together, whoa  
We're lost in love  
We're lost in our love and we can't find a way  
We're lost in love  
We're lost in our love and we're destined to stay  
Together, whoa
