Another fish head in the dust bin  
Another loser in the que for the soup kitchen  
Another reason for a visit  
We think you better come down  
Another nigger on the wood pile  
Another honky on the dole  
Another trip from off the 15th floor

The greatest story ever told  
Was so wrong  
So wrong

Cause you promised milk and honey  
And an everlasting life  
But we listened with our ears closed  
And a blindness in our eyes

But we heard them as they nailed you  
And we saw you crusified

The second coming of the holy ghost  
We need a pocket full of miracles  
2,000 years and he ain't shown yet  
We kept his seat warm and the table set

The second sitting for the Last Supper

Another guru in the money  
Another mantra in the mail  
An easy way from rags to riches  
God's little acre's up for sale  
The time is right for resurrection  
We think you better come down  
The church don't ring with Hallelujahs!  
You haven't been for so long  
So long  
So long

2,000 years and he ain't shown yet  
We kept his seat warm and the table set  
The second sitting for the Last Supper
