Well come on, pretty baby, won't you walk with me?  
Come on, pretty baby, won't you talk with me?  
Come on, pretty baby, give me one more chance  
Try and save our romance, slow down

Baby now your movin' way to fast, yeah yeah yeah  
You gotta gimme little lovin'  
Gimme little lovin' ooh  
If you want your love to last, that's right

I use to walk you home, baby, after school  
Carry your books home too  
But now you got a boyfriend down with me  
Baby what you tryin' to do? You better slow down

Baby now your movin' way to fast  
You gotta gimme little lovin'  
Gimme little lovin'  
If you want our love to last

Well you know that I love you, tell the world I do  
Come on, pretty baby, why can't you be true?  
I need you love, baby, oh so bad  
Your the best little woman I ever had, slow down

Baby now your movin' way to fast, yeah yeah yeah  
You gotta gimme little lovin'  
Gimme little lovin' wow  
If you want our love to last

Come on, pretty baby, won't you walk with me?  
Come on, pretty baby, won't you talk with me?  
Come on, pretty baby, give me one more chance  
Try and save our romance, slow down

Baby now your movin' way to fast  
You gotta gimme little lovin'  
Gimme little lovin', wow  
If you want our love to last, yeah yeah yeah

You know that I love you, tell the world I do  
Come on, pretty baby, why can't you be true?

I need your love, baby, oh so bad  
You the best little woman I ever had, slow down

Baby now your movin' way to fast  
You gotta gimme little lovin'  
Gimme littel lovin'  
If you want our love to last

You gotta gimme little lovin'  
Gimme little lovin'  
If you want our love to last

Well you gotta gimme little lovin'  
Gimme little lovin', wow  
If you want our love to last
