Candyman Messiah

Standing at the end of the rainbow
Expected a pot of gold
What's the use in money that's borrowed?
Facing a blues I was never told

Cashing out, I'll hit rock bottom
I've stretched the rubber beyond control

Candyman Messiah
Candyman Messiah
Candyman Messiah
Candyman Messiah

A lullaby on clouds of cotton
Like an aircraft, a power station
I've got a payback on my investment
Gonna rule the United Nations

Cashing in on the last component
Got my string in good vibration
