Army of Lovers
"Love Me Like a Loaded Gun"

It took God six days
To create a perfect world
On the seventh day he rested
That was his big mistake
From the seventh day
We took over

C'mon move to the left
C'mon move to the right
Move to the left
C'mon move to the right
Move to the left
C'mon move to the right
Love me like a loaded gun
Love me love me
Love me like a loaded gun
Love me love me
Love me like a loaded gun

We're on the move
We're on the move
We're on the move yeah
We're on the move
Love me love me
Love me like a loaded gun c'mon
Love me love me
Love me like a loaded gun c'mon

We're on the move
We're on the move
We're on the move yeah
We're on the move c'mon
Keep on movin'
Love me love me
Love me like a loaded gun c'mon
Love me love me
Love me like a loaded gun c'mon

Move to the left c'mon
Move to the right
Move to the left c'mon

Move to the right
Keep on movin'
Love me love me
Love me like a loaded gun c'mon
Love me love me
Love me like a loaded gun

Enfant contaminÅ½
Danser la danse de la trappe fantastique
Amour comprimÅ½
Sous la gÅ½ante Å½toile de Copacabana
Le bÅ½bÅ½ magique
Et les bras de macho atomique
Cest comme dans un comic strip

Love me love me
Love me like a loaded gun c'mon
Love me love me
Love me like a loaded gun

With the sound of her voice
She can make us feel
What she wants us to feel
Here it comes

Move to the left we're on the move
Move to the right
Move to the left we're on the move
Move to the right c'mon
Love me love me
Love me like a loaded gun
Keep on movin'
Love me love me c'mon
Love me like a loaded gun
Keep on movin'
Love me like a loaded gun
