Let your body move
Let your body move
Let your body move
Let your body move

It's a love revolution
It ain't need no institution
It's a love revolution
Movin' out from a state of confusion

It's a brand new nation
It's a brand new groove
It's a love sensation
Let your body move

It's a brand new nation
It's a brand new groove
It's a love sensation
Let your body move

It's a love revolution
It ain't need no institution
It's a love revolution
Movin' out from a state of confusion

It's a brand new nation
It's a brand new groove
It's a love sensation
Let your body move

It's a brand new nation
It's a brand new groove
It's a love sensation
Let your body move

It's a love revolution
It ain't need no institution
It's a love revolution
Movin' out from a state of confusion

It's a love revolution
It ain't need no institution

It's a love revolution
Movin' out from a state of confusion

It's a love revolution

It's a love revolution
