A time to live, a place to live

Be be ay, be be ay  
Around the world, around the world  
Around the world be be ay, be be ay

A time to go a time to leave  
A place to go a love to give  
When traveling around the world  
My army of lovers

Disney world to Yellowknife  
America my way of life  
Riding on a wave of love  
My army of lovers

A cherry moon a night of fun  
We dance into the rising sun  
I lost my soul in Tokyo  
My army of lovers

Around the world, around the world  
Around the world be be ay, be be ay

Saint-Tropez to la DÃ©fense  
A perfumed Latin lover's scent  
A pleasure sweet my body heat  
My army of lovers

My gentlemen polite and proud  
From London Tower I wave goodbye  
The scorpio is rising high  
My army of lovers

Around the world, around the world  
Around the world be be ay, be be ay

Pour l'univers on quitte la Terre  
Heureux joyeux  
L'amour de Dieu n'a pas de frontiÃ¨re  
Pour l'armÃ©e qui voyage sous la lumiÃ¨re

In crystal snow my palace guard  
My cosmonaut from Leningrad  
Come shoot me with your laser beam  
My army of lovers

Taj-Mahal I've come to rest  
A royal bed a lovers nest  
Classic art we here explore  
My army of lovers

Around the world, around the world  
Around the world be be ay, be be ay

Around the world, my army of lovers  
Around the world be be ay, be be ay  
Around the world, my army of lovers  
Around the world be be ay, be be ay
