I shall lead you
Out of the darkness
For I am the light

They're coming
To take me away
I am the light

Dance, dance, dance
Well, well, well
Dance, dance, dance
Well, well, well
Well, well, well

I am the light
I am the light

Well, well, well
Well, well, well
Well, well, well
I am the light

Well, well, well
Well, well, well
Well, well, well
I am the light

Dance, dance, dance
Well, well, well
Dance, dance, dance
Well, well, well

I am the light
I am the light

Dance, dance, dance
Well, well, well
Dance, dance, dance
Well, well, well

Well, well, well
Well, well, well

Well, well, well

Well, well, well
Well, well, well, well
Well, well, well, well

Well, well, well
Well, well, well
Well, well, well

Well, well, well
Well, well, well
Well, well, well
