Someone, somewhere, someday

I believe in miracles
A broken heart can mend
Still I can't defend
Hours that I spend

Crying over losing
In the battle of my heart
Always back to start
Mend my broken heart

One upon a time I know
A fairytale comes true
Why should I be satisfied with you?

Someone, somewhere
I believe one day I'll see
Someone, somewhere
Take a special pride in me

Someone, somewhere
That's the day for me to be
Someone, somewhere
Some day gonna set me free

Why go on pretending
I've got something to protect?
Love I should collect
Gain my self-respect

What makes you believe
You got the right to hang around?
I'll fight you to the ground
I'm still heaven bound

One upon a time I know
A fairytale comes true
Why should I be satisfied with you?

Someone, somewhere
I believe one day I'll see

Someone, somewhere
Take a special pride in me

Someone, somewhere
That's the day for me to be
Someone, somewhere
Some day gonna set me free

One upon a time I know
A fairytale comes true
Why should I be satisfied with you?

Someone, somewhere
I believe one day I'll see
Someone, somewhere
Take a special pride in me

Someone, somewhere
That's the day for me to be
Someone, somewhere
Some day gonna set me free

Someone, somewhere
Someone, somewhere

Someone, somewhere
I believe one day I'll see
Someone, somewhere
Take a special pride in me

Someone, somewhere
That's the day for me to be
Someone, somewhere
Some day gonna set me free

Someone, somewhere
