Now we are angry

Drums go bang in the jungleland  
Lucy's foot made a mark in sand  
Paint the walls in our cave saloon  
And draw the hunt like a rock cartoon

We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Walk like homo sapiens  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Populate the continents

Hey dad I made a flintstone ax  
Look mom I styled my hair in wax  
Dad knocks mom when he wants to mate  
They generate alligator bait

We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Walk like homo sapiens  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh

We are the sons of Lucy ooh  
Populate the continents

Oh yeah

Hunt and grunt like a cannibal  
Eat your meat in a ritual  
A feast to end all the tribal fights  
Join in the chant Africa unite

We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Walk like homo sapiens

We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Populate the continents

Now we are angry

We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Walk like homo sapiens  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
We are the sons of Lucy ooh  
Populate the continents
