Growing now
I didn't know what I wanted, didn't know
Floating now
I didn't know it could happen, didn't know how
All for love
I didn't think it would happen, didn't think
Falling for love
I didn't think I could do that, didn't think

Oh, I feel free when, you're here with me
Wrong is right
Day is night
Up is down
When you're around

Easy now
I didn't know what I wanted, didn't know
Pleasing now
I didn't think I could have that, I didn't know how

Oh, I feel free, when you're here with me
Wrong is right
Day is night
Up is down
When you're around

Waited for your phone call
And boy, did I fall
Head over heels
Waiting for a night swim
And we just dive in, cold as it seems
Baby got your lines tight, and it feels right
We've got this whole night free

Oh, I feel free, when you're here with me
Wrong is right
Black is white
Up is down
When you're around

Oh, I feel free, when you're here with me

Wrong is right
Day is night
Up is down, when
Wrong is right
Black is white
Up is down
When you're around
