Here in this place  
I'm never alone  
I scrutinise this  
Turbulent soul, and I  
Cannot distinguish  
What's wrong and what's right  
Is it too heavy?  
Is it too light?

Unbearable lightness of being  
Unbearable lightness of life

And you say  
"This love is compassion"  
Is that your fate?  
Or is it your curse?  
Close your eyes  
Extinguish all passion  
Body without soul  
Couldn't be worse

Unbearable lightness of being  
Unbearable lightness of life

Could it be heavier?  
Or could it be lighter?  
Should it be stronger?  
Should it be brighter?  
Oh, could it be heavier?  
Could it be lighter?  
Should it be stronger?  
Should it be lighter?

Oh, I'm never alone here  
And I cannot distinguish  
Oh, I'm never alone here  
And I cannot distinguish

Unbearable lightness of being  
Unbearable lightness of life  
Unbearable lightness of seeing

Unbearable lightness of life

Unbearable lightness

Unbearable lightness

Unbearable lightness

Unbearable lightness

Unbearable lightness

Unbearable lightness
