

## **11 Minutes Away "Awkward Silence"**

Another night  
Another fight  
What could be so wrong (be so wrong)  
I wish we'd seen us  
What could be between us  
All along

Could this be our last dance  
This awkward silence  
When I look in your eyes (look in your eyes)  
I watch you drive out  
After all we talked bout  
Try not to cry  
I thought I knew (I thought I knew)  
But I felt for you (But i fell for you)  
I should have known (I should have known)  
That I outgrow (I now have grown)

These feelings I feel, No longer want to hide  
I wish you were here, But your by my side  
I know whatever I do  
I'll do it for you
