Baby, bounce to my rhythm, I be radiatin' static  
With toys in my attic, styles automatic  
I love'em Asiatic, Japanese and Puerto Rican  
Every time I start speakin', I wind up freakin'  
Some little fleussy naked in my jacuzzi  
If ya think I'm not choosy than the joke's on you  
You want the 411, baby here's my style  
I like'em young but I'm no freakin' pedophile  
I'm known to set it wild, young girls get creamy  
Swing'em through the morn and the Ev will get steamy  
You can't see me, I play the set low  
Scrapin' on the bottom, smokin' L's if I got'em  
And I ain't too proud to beg for your leg  
Let me push up in the thighs, I'll fertilize your egg  
Let me make your nature rise along with your blood  
pressure  
Strip you down bare, lay your things on the dresser  
While the children of the lesser, go out and play the  
hard rock role  
Girl, I stay rock hard

Chorus 2X:

So if I get mine, you'll get yours  
And we can take it to the wild side behind closed doors  
Rip off your stockings and drop your drawers  
We can take it to the wild side behind closed doors

Ah baby, can't you feel it, deep down inside ya  
I can't hide the fact I wanna ride ya  
Body up and down and then back and forth  
Kind of like Aaliyah, girl, I wanna see ya  
Oh, you look good, honey bun, I can't fake it  
And word is bond I just got to get you naked  
And once you're naked I'm a lick your skin  
Then touch you in spots that ain't nobody else been  
I'll kiss you down there when you're bare  
And I swear that I'll do it right  
I'll make it last all night  
But don't put up a fight  
'Cause I ain't Macho Man Randy  
I'm not a Savage, I just want some candy

And it's, fine and dandy if you need some time  
But let me know whatcha think and, sugar, ease my  
mind  
Let me know where I stand, come take my hand  
Give me a hug, then lay me down on the rug

Chorus
