Get up on your feet  
Before the night is through for you want miss  
Get down to the beat  
Pump it, stomp it, jam, trip on this!  
Get the party started  
Get it on, get a move on, kids  
Rock to the beat  
Pump it, stomp it, jam, trip on this!

Get up, get up, get busy do it  
Get up and move that body  
Get up people now get down to it before the night is  
over  
Get up, get up, get busy do it  
I wanna see you party  
Get up people now get down to it before the night is  
over

Get down  
Get up  
Get down  
Get up

One, two,  
I'll party you  
Three, four,  
So get your butt on the floor  
Five, six,  
Know you dig the mix  
Seven, eight  
Let it shake

Get down  
We got to take a stand  
Now that we're in demand  
Party all night, cut the fight  
Do what's right and you just might  
Win a battle you never fought  
Just by checkin' this record you bought  
Over and on and on again  
Get with it and do that thing

Get up, get up, get busy do it  
Get up and move that body  
Get up people now get down to it before the night is  
over  
Get up, get up, get busy do it  
I wanna see you party  
Get up people now get down to it before the night is  
over
