Oh man is so bad
yes man's so bad
That's why man is so covetous
The more he has is the more he wants
That's why man is so gravalicious

Working everyday to let him have
Sweating like hell while you don't have
And all that you can see now
The big fishes feeding on the small ones

Covetousness, that's what I see
Yeah, yeah yeah yeah yeah

Covetousness, must overthrow
Alright alright

All that you can see now
The big fishes feeding on the small ones
Oh yes oh yes

Oh yes oh yes oh yes

Just through our faith that's how we overcome
Just through our faith that's how we overcome

Working everyday to let him have
Sweating like hell while you don't have
And all that you can see now
The big fishes feeding on the small ones

Covetousness, that's what I see
Yeah yeah yeah yeah

Covetousness, must get a blow
Alright alright

All that you can see now
The big fishes feeding on the small ones
Oh yes oh yes
Oh yes oh yes oh yes

Just through our faith that's how we overcome
Just through our faith that's how we overcome
