One of these days
Run come rally rally
run come rally rally run/round
Jehovia's throne (Yabby You version)
Life is strong (?) (Ras Michael version)

The sun shall be darkened
and the moon shall turn into blood
one of these days

So run away
come away
from the land
of Sodom and Gomorrha

Yes run away
come away
from the land
of the sinking sand

The hotter the battle is
the sweeter (is)
Jah victory
Jah victory
