gather 'round  
your parents house  
bouncing on your knees  
heading out  
night on the town  
walkin on your knees  
runaway with me

climb a tree  
to the top  
so you can see just what you need  
on your way down  
you come across  
things you never seen  
hand into pocket  
pull out some change  
it's made it's way to your mind  
now your laughing  
laughing out loud  
look at how you shine  
run a way with me

yes we know who we are  
and we're ready to meet our consequences  
come along we'll go so far  
'cause life is all about taking chances

so you wear your sundays best all week long  
finger on trigger  
hit bullseye head on  
oh so suddenly  
your head's held high  
look at how you shine  
run a way  
with me

yes we know who we are  
and we're ready to meet our consequences  
come along we'll go so far  
cause life is all about

yes we know who we are  
and we're ready to meet our consequences  
come along we'll go so far  
'cause life is all about  
yeah

yes we know who we are  
and we're ready to meet our consequenccees  
come along we'll go so far  
'cause life is all about taking chances

run a way with me
