I can only be told so many times  
To change my ways  
I mean to say  
I've been portrayed as a fool  
Who lost his way  
Maybe strange but that's just me  
You look closely  
Stay by my side  
It's possible to see the city heartbeat of a wiseman in  
disguise

-----  
(Chorus)

Go on, give it a try  
I know well in my mind that i will learn to fly  
Lalala Lalala  
I'm always singin  
Lalala Lalala  
I will learn to fly  
Lalala Lalala  
I'm always singin  
Lalala Lalala

-----  
I wil learn

Sixteen seems like it was just yesterday  
The world spun so fast  
I could not keep the pace  
Taken in small doses  
There is always room for change  
This is my life and I know living this feelin everthing

(Chorus)

In the palm of your hand  
I realize my emotions  
I took a deep breath and  
Let it out  
And blew me away  
Lalala Lalala  
I'm always singin  
Lalala Lalala

I'm always singin  
Lalala Lalala  
I will learn to fly
