give to me a moment
a moment of your time
we'll lay here locking lips
tangled hips and minds

through me a suductive stare
as you walk away
watch the hair wave down your spine
lately lately youv'e been driving me
driving me crazy

and this is wonderful
wouldn't you agree
absolutely magical
what you do to me

there's a lot of love in your eyes
there's a little bit of hope in mine
so spread your loving wide
i'd like to come inside

all it takes is a moment
a moment of your time
lay here locking lips
tangled hips and minds

and this is wonderful
wouldn't you agree
absolutely magical
what you do to me

and this is wonderful
woudn't you agree
absolutely magical
what you do

say don't you ever
this is wonderful
wouldn't you agree
absolutely magical
what you do to me

said this is wonderful
wouldn't you agree
absolutely magical
what you do to me
so don't you ever go
say don't you ever go
