Now I'm not tryin'  
To impress you  
But you got me screaming  
That's how you do  
Now just stop talkin'  
All about yourself  
Cause I'm not gonna take it  
You are so overly conceited

Every time I sing this  
I feel so much better  
Running my mouth all the time  
This is my final letter  
I am ready to walk away  
If you don't start lookin' my way  
Just listen up girl cause this is all I have to say

I'm not your superman  
Not gonna hold your hand  
I'm done with laughing at all of your stupid jokes  
I'm not your superman  
Not gonna hold your hand  
I'm finished with pretending you are so beautiful

I'm not your superman  
Not gonna hold your hand  
I'm done with laughing at all of your jokes  
I'm not your superman  
Not gonna hold your hand  
I'm finished with pretending you are so beautiful

Now you scream now you jump and we're fighting  
Then it seems that we're dying nightly  
And when it comes down to it you'd be whining  
About everything you got to be kidding me

Put your hands up in the air  
If your best friends which the girl that don't care  
Put your hands up in the air  
If you have told her that its all you can bear  
Put your hands up in the air

If your best friends which the girl that don't care  
Put your hands up in the air  
Put your hands up in the air

(Chorus) X2
