To my unborn child This goes out to my unborn child in
case I don't make it Just remember daddy loves you I
did everything I could to make away for me and you
Don't worry about what people say about me You know
dady loves you [Verse One: Tupac] Now ever since my
birth I've been cursed since I'm born to wild In case I
never get to holler at my unborn child Many things
learned in prison Blessed and still living Tryna earn
every penny that I'm getting And reminiscing To the
beginning of my mission When I was conceived and
came to be in this position My momma was a Panther
loud Single parent but she proud when she witnessed
baby boy rip a crowd Went to school but I dropped out
And left the house Cause my mama say I'm good for
nothing so I'm out Since I only got one life to live God
forgive me for my sins Let me make it and i'll never
steal again Or deal again My only friend is my misery
Wanting revenge for the agony they did to me See my
life ain't promised but it's sure get better Hope you
understand my love letter To my unborn child [Chorus
X2] A letter to my unborn child Ohhhh yeah (To my
unborn) Yeaah (To my unborn) [Verse Two: Yaki
Kadafi *Performed byt Rizz, The Kidz*] There ain't no
gaurantee's for tomorrow It's just pain and sorrow To
maintain cause these times is hard So I burn and
withhold thought's To give you a little wisdom so you
don't get caught And still tried In a cash 22 I use to
dash for the cash Wanting grand's in van's 22's in my
shoe And a dummy is the fool who forget's the code
Hold the feild steady, keep your eyes on the road
When your seed is grown maybe then you'll
understand It ain't living so Thug Life is all that we have
If your missing your dad just take a look to the star's
I'm up above and i'm seeing everything that you are
And the only way to win the race got to get in to it
running And turn the cowards into idiot's for trying to
get your hundred's So please don't cry Outlawz we
never die Multipliy and keep moving for the revolution
(To my unborn child) Kadafi P.S.
Ayyyyyyyyyyyyyyyyyyyyyyeeyyooooooooooooooooooooo
[Chorus] To my unborn child Please take of all my

seed's To my unborn child To my unborn child This
letter goes out to Any seeds that I might not get to see
Cause of this lifestyle a nigga live Just know that your
daddy loves you Got nothing but love for you And I I
wanted was for you have a better life than I did So I was
out here on a twenty-four hour 365 grind When you get
to be my age you'll understand Just know I got love for
you And I'll see you up there ighetto from heaven
Cause there's ghetto heaven gotta be there (haha)
Take care Run wild but be smart Follow the rules of the
game I know that sometimes it's confusing The rules of
the game is gonna get you through it, all day everyday
Watch out for these snakes and fakes Friends comin
down the way.. Be an individual Work hard, stay
thugging, get your mind staright Trust nobody Money
over bitches Don't let these niggas run you round Don't
let no man put his hand's on you Don't let no woman
use you Don't be a trick Don't be a playa hater And
don't be a wife beater With all my heart Your pop's
Tupac [Rizz, The Kidz] I know your hearing this Yak We
holding it down for these children man We holding it
down for these children man Holding it down for these
children man
