oh stop your crying it'll be alright
just take my hand, hold it tight
i will protect you from
all around you
i will be here, don't you cry
for one so small you seem so strong
my arms will hold you keep you safe and warm
this bond between us can't be broken
i will be here dont you cry

coz you'll be in my heart
yes you'll be in my heart
from this day on now and forever more
you'll be in my heart
no matter what they say
you'll be here in my heart
always

why can't they understand the way we feel
they just dont trust what they can't explain
i know where different but
deep inside us
were not that different at all

and you'll be in my heart
yes you'll be in my heart
from this day on now and forever more

don't listen to them
coz what do they know
we need each other
to have to hold
they'll see in time
i know
when destiny calls you
you must be strong
(you gotta be strong)
i may not be with you
but you gotta hold on
they'll see in time
i know

we'll show them together coz

you'll be in my heart
believe me
you'll be in my heart
i'll be there
from this day on now and forever more

oooh
you'll be in my heart
you'll be here in my heart
no matter what they say
i'll be with you
you'll be here in my heart
i'll be there
always
always
i'll be with you
i'll be there for you always
always and always
just look over your shoulder
just look over your shoulder
just look over your shoulder
i'll be there
always
