The more I can see You  
The more I believe  
You still keep on loving me eternally  
So why do I tremble  
And why do I fall  
When I've never seen a love like this before

There's nothing I can do there's nothing I can say  
To make it any higher  
And no other love would ever be enough  
When You are my desire

Faithful and true  
My provider I surrender  
To the one I love  
To the one I live for  
Wonderful You  
I believe You're my defender  
You're the one I need  
You're the one I'd die for

So I'll keep on going  
When I'm losing ground  
But I will be praying I won't let You down  
Then I'll keep on saying  
What I really feel  
'cos You know I love and I always will

If I find myself looking somewhere else  
Even though I need You  
Then I realise there's a reason why  
I would never leave You

How can I begin to find the words  
To show the way I feel
