can you taste it
here at my tea
just to settle down
i wake up my insanity
everyone's mad here
everyone's insane
everyone's mad here
everyone's mad

i'll pass you the sugar
in a heart shaped bowl
you need this like
i need a hole...in my head
everyone's mad here
everyone's insane
everyone's mad here
everyone's mad

leading me down the path
of righteousness
you know you are killing me
you keep looking at that watch i never
knew you were so blood thirsty
you know you are killing me
you know you are killing me
you know you are killing me
you know you are killing me

you judged and juried me
made me out to be a thief
a stupid child wanting your life
the queen is mad here and she laughs
she screams for my blood
off with my head
i know she won't stop
until i'm dead

curious like a spoiled child
you peak into the garden i tend
just to smile and fade away
leaving only a sickly grin

everyone's mad here
everyone's insane
everyone's mad here
everyone's mad

leading me down the path
of righteousness
you know you are killing me
you keep looking at that watch i never
knew you were so blood thirsty
you know you are killing me
you know you are killing me
you know you are killing me
you know you are killing me
