"Waiting For You"

it's like a sweet pill to swallow
one that overtakes.
i lose control
suddenly i fall
it's silent in this cloud
over my head
i'm here
waiting for my heart
beat, i feel dead
you try to rob me
you will never have what's mine
deny me of any pleasure
I'll never have to feel the pressure
one day be measured
by your life of lies

your life of lies

a thousand lies to cover just one
i will prove to you
i am your man
one way or another
i'll wait (i move closer)

a thousand lies to cover just one
i will prove to you i am your man
one way or another

i'll wait (i move closer)

i will have mine(come closer)
i will have mine(come closer)
i will have mine (i'll get cha)
i'll get cha(i move closer)
i will have mine(come closer)
i will have mine(come closer)
i will have mine (i'll get cha)
i'll get cha(i move closer)
i will have mine(come closer)
i will have mine(come closer)
i will have mine (i'll get cha)

i'll get cha(i move closer)
i'll get cha(i move closer)
you deny the truth
you need to realize the lie
and maybe one day you can
understand me
