

112 Feat. P. Diddy "Peaches & Cream"

Visit "[Peaches & Cream](#)" on MotoLyrics.com

Yeah, yeah, yeah, yo 2001
(We still hea)
Yeah, uh, this is the remix
Don't stop, 112 don't stop
Bad Boy, yeah this is the remix

Ludacris like 'em shaken not sturred
Wakin' up blurred, walk but naked, talks be slurred
Next get squeezed and I can't breathe
Stop then switch, next get kneed

Kinda taste like lemon marang
So nice I add spice wid the cinnamon thang
Make ya pull yer own hair out
Make yer body go flat, get the spairs out

Smack lips, smack hips, make 'em backflip
Cake mix, finger lickin' like tactickz, tounge gymnastics
Good head make the eyes rool back
112 on the track so you can't hold back

Hot bread and butter, peaches and cream
Only reach for the peach if its peachy clean
Only reach for yer spot then release the steam
A town we release the kings

Let me tell you what I wanna do
Let me show you that I'm feelin' you
Wanna sex, wanna ride with you
Wanna taste, wanna put my lips all over you

Can't get enough of you
Always thinkin' of you
So sweet, so very wet
So good, girl you make me sweat
Girl, know what I'm talkin' 'bout

Peaches and cream
I need it 'cause you know that I'm a fiend
(That's right)
Gettin' freaky in my Bentley limousine
It's even better when it's with ice cream

Know what I mean?

Peaches and cream

I need it 'cause you know that I'm a fiend
Gettin' freaky in my Bentley limousine
It's even better when it's with ice cream
Know what I mean? Peaches and cream

I never thought that I would be so addicted to you
On top, underneath, on the side of you
Better yet baby inside of you
Love the way you're just flowin' down

And I can feel it all around
In the front, in the back of you
Ooh, I love the taste of you
Girl, you know what I'm talking about

Peaches and cream

I need it 'cause you know that I'm a fiend
Gettin' freaky in my Bentley limousine
It's even better when it's with ice cream
Know what I mean?

Peaches and cream

I need it 'cause you know that I'm a fiend
Gettin' freaky in my Bentley limousine
It's even better when it's with ice cream
Know what I mean? Peaches and cream

Won't stop girl you know I can't get enough
Wanna taste it in the morning when I'm waking up
Like peach cobbler in my stomach when I eat it up
Got your legs around my neck and I can't get up

See the boys 112 we from the A'
(A' shorty we don't play)
And when it comes to eating peaches
Shorty we don't play
So all the ladies in the house if your peach the shit
Put your hands in the air represent your clique

This is the dance break
This is the remix, bounce to this
(Yea, com'on)
Can I getta lick? Can I get a lick

Peaches and cream

I need it 'cause you know that I'm a fiend
(That's right)
Gettin' freaky in my Bentley limousine

(Girl, you are so tasty)
It's even better when it's with ice cream
Know what I mean?

(Oh girl, I need it)
I need it 'cuz you know that I'm a fiend
(Bad Boy, baby, P Diddy, 112, Ludicris
This is the Bad Boy remix)
(I gotta have it)

Getting freaky in my Bently limousine
(It's always on my mind)
It's even better when it's with ice cream
Know what I mean? Peaches and cream

(I like it in my car)
I need it 'cuz you know that I'm a fiend
(Or even in my bed)
Getting freaky in my Bently limousine
(Or baby on the stairs)
It's even better when it's with ice cream
Know what I mean? Peaches and cream

(Oh girl, I need it)
I need it 'cuz you know that im a fiend
(I gotta have it)
Getting freaky in my Bently limousine
(It's always on my mind)
Its even better when its with ice cream
Know what I mean? Peaches and cream

(I like it in my car)
I need it 'cuz you know that I'm a fiend
(Or even in my bed)
Getting freaky in my Bently limousine
(Or baby on the stairs)
It's even better when its with ice cream
Know what I mean? Peaches and cream

I need it 'cause you know that I'm a fiend
Gettin' freaky in my Bentley limousine
It's even better when it's with ice cream
Know what I mean? Peaches and cream

I need it 'cause you know that I'm a fiend
Gettin' freaky in my Bentley limousine
It's even better when it's with ice cream
Know what I mean? Peaches and cream
