Here in this dark room,  
A light shines through.  
Here in this dark room,  
This light shines on you.  
As you smile at me,  
And make my body warm,  
You lift me up,  
And make my soul swarm.

Here I am,  
Playing for an audience of one.  
As I play,  
I feel your warm embrace guiding me.  
So here we are,  
Just you and me.  
So here we are,  
Together as one were free.

Now as I look around,  
You're all I see.  
As my heart starts to rush,  
I see it's just you and I.  
As you smile at me,  
And make my body warm,  
You lift me up,  
And make my soul swarm.

Here I am,  
Playing for an audience of one.  
As I play,  
I feel your warm embrace guiding me.  
So here we are,  
Just you and me.  
So here we are,  
Together as one were free.

We're Free!!!  
We're Free!!!
