My heart bleeds for you,
Exactly how you wanted it to.
Look at me sweating blood,
Pierced skin as I hang above.
Some wonder why,
Why I came to preach and die.
Other don't care,
Then again others can't bare.

As I hang here,
My heart bleeds for you,
Cry your tears,
And due your dues,
Look how my heart bleeds for you.

Many try to care,
Others run away bare.
Shrieking pain throughout my back,
Why doesn't this make you sad?
Three sides of this story,
The mad, the sad, and the mourning.
But still restrained to try,
You don't understand I had to die.

As I hang here,
My heart bleeds for you,
Cry your tears,
And due your dues,
Look how my heart bleeds for you.

Now I died hereâ€¦ (x4)
Now I riseâ€¦

As I hang here,
My heart bleeds for you,
Cry your tears,
And due your dues,
Look how my heart bleeds for you.
