Who am I?
Am I searching for my place again?
Where am I?
Am I somewhere not to be found?

Who am I?
Am I searching for my place again?
Where am I?
Am I somewhere not to be found?

If you're looking for me,
You know where to find me,
Right where you left me.
And if you're looking for me,
You know where to find me,
Right where you left me.

Am I comfortable,
With the way I'm living today?
Should I be comfortable?
Am I living life like I should?

If you're looking for me,
You know where to find me,
Right where you left me.
And if you're looking for me,
You know where to find me,
Right where you left me.

Am I lost and Found?
Will I ever be found again?
When you find me her,
Will I be drenched in sin?
So take me up oh Lord,
Cleanse my soul again.
Let me arise from the ashes,
Let this phoenix burn again!

Burn again,
Burn again,
Let me burn again. (x2)
