"Take My Life"

Sometimes my sprits black as night,
When I want to see the light,
This Constant strife,
Brings me to my knees.
And when I feel all alone,
Show me that I'm really home,
With you standing right by my side,
And you hold me high.

Jesus it's so hard,
To sit down and make my mark,
In this cruel cruel world,
So take me by the hand and hold me up.
Cause I'm deceive so easily,
Cause my life is filled with sin,
Buried deep within, I pray to you my God,
Jesus I pray today, come and take my life.

Jesus Christ,
Come and take my life,
Along with all with all my strife
Come and take my life,
IT'S YOURS!!!

Jesus, I love your grace,
How you jog to my pace,
You're so amazing.
Yet, I'm so close to sin,
Don't let it come in,
And I'll run right by it.

Jesus Christ,
Come and take my life,
Along with all with all my strife
Come and take my life,
IT'S YOURS!!!

(Rock Out)

Jesus Christ,
Come and take my life,
Along with all with all my strife
Come and take my life,
IT'S YOURS!!! (x2)
