Come stop your crying
It will be alright
Just take my hand
And hold it tight
I will protect you
From all around you
I will be here
Don't you cry

For one so small
You seem so strong
My arms will hold you
Keep you safe and warm
This bond between us
Can't be broken
I will be here don't you cry

Cuz you'll be in my heart
Yes, you'll be in my heart
From this day on
Now and forever more
Ya, you'll be in my heart
No matter what they say
You'll be here in my heart
Always

Why can't they understand
The way we feel
They just don't trust
What they can't explain
I know we're different
But deep inside us
We're not that different at all

Cuz you'll be in my heart
Yes, you'll be in my heart
From this day on
Now and forever more

Don't listen to them
Cuz what do they know?

We need each other
To have and to hold
They'll see in time
I know

When destiny calls you
You must be strong
I may not be with you
But you've got to hold on
They'll see in time
I know
We'll show them together

Cuz you'll be in my heart
Believe me, you'll be in my heart
I'll be there from this day on
Now and forever more

(Yeah) Cuz you'll be in my heart (You'll be in my heart)
Believe me you'll be here in my heart (You'll be in my heart)
From this day on
Now and forever more

I'll be there for you always
Always
I'll be with you
I will be there
Always and always and always and always
Just look over your shoulder
I'll be there
