Everybody needs a little time away
I've heard her say
From each other

Even lovers need a holiday oooh
Far away from each other

Hold me now
It's hard for me to say I'm sorry
I just want you to stay
And after all that you've been through
I will make it up to you
I promise you, baby

And after all that's been said and done
You're just the part of me I can't let go

ooooh bup bup bup bup

Couldn't stand to be kept away
Not for a day
From your body
Wouldn't want to be swept away awaaaaaaay
Far away from the one that I love

Hold me now
It's hard for me to say I'm sorry
I just want you to know
Hold me now
I really want to tell you I'm sorry
I could never let you go

And after all that we've been through
I will make it up to you
I promise you

And after all that's been said and done
You're just a part of me I can't let go

I can't let go
