This was the place of our first date

It was a place we love

That was the place we laughed

Where we had so much fun

There was the place I met her

That's where we fell in love

And it was the place where she broke my heart

So how do I tell this story

Of someone I love so much

When she lost her feelings for me

Ohh O how I miss her touch

Chorus:

Have you ever loved someone so much

It hurts like hell

To see the love she once gave to you

She gives to someone else

Have you ever, ever, ever, ever loved

To find yourself

To see the love she gave

The love you made

The joys and praise

She saved for someone else

She was a girl called beautiful

And I was so proud of she

How could a girl like here

Be with someone like me

There was I time I had her heart

And oh what a time it was

But I never thought that time

Would make my one true love

So how do I tell this story

About someone I love so much

She lost her feelings for me

Ohh O how I need her touch

(2xChorus)

Have you ever loved someone so much

It hurts like hell

To see the love she once gave to you

She gives to someone else

Have you ever, ever, ever, ever loved

To find yourself

To see the love she gave

The love you made

The joys and praise

She saved for someone else

Bridge

How do I tell this story (how do I tell this story!!!)

About someone I love so much(sooooo much!!!)

When she lost her feelings for me(when she lost her feelings!!)

Ohh O how I miss her touch

(2xChorusâ€¦fade)

Have you ever loved someone so much

It hurts like hell

To see the love she once gave to you

She gives to someone else

Have you ever,ever,ever ,ever loved

To find yourself

To see the love she gave

The love you made

The joys and praise

She saved for someone else
