Oh my friend, I'd like to smash you in your face.
Cause it's more real when there is something out of
place.

The water's shallow it's a puddle on the floor.
Some dive in because they want to be adore.

Hit me with your million dollar smile.
A millimeter's gonna take you a mile.
Too bad pretty's just fake ugly, too bad.
Too bad pretty's just fake ugly.

Look beneath, your shiny surface does deceive.
Past the skin, there's no bloodflow
You do not breathe.

Hit me with your million dollar smile.
Am millimeter's gonna take you a mile.
Too bad pretty's just fake ugly, too bad.
Too bad pretty's just fake ugly, too bad.
'Cause at the end of time, your bones look just like
mine.
Too bad pretty's just fake ugly.

Too bad.

Hit me with you're million dollar smile.
A millimeter's gonna take you a mile.
Your new flesh is so appealing.
