There's a charm for laughin'
There's a charm for weepin'
There's a charm for sowin'
There's a charm for reapin'

So on your knees now
Upon your feet now
The words won't come out
When you try to speak out

What's it gonna take to put a smile on your face?
Your searchin' for a path to take you home
Your a river and you flowin', you flowin' to the sea
I will meet you, I will meet you at the mouth
I will meet you, I will meet you at the mouth

There's a charm for movin'
There's a charm for stayin'
There's a charm for cursin' and
There's a charm for prayin'

So on your knees now
Upon your feet now
The words won't come out
When you try to speak out

What's it gonna take to put a smile on your face?
Your searchin' for a path to take you home
Your a river and you flowin', you flowin' to the sea
I will meet you, I will meet you at the mouth
I will meet you, I will meet you at the mouth

There's a charm for losin'
There's a charm for seekin'
There's a charm for castin' and
There's a charm for keepin'

What's it gonna take to put a smile on your face?
Your searchin' for a path to take you home
Your sittin' on a hill side in a country far from here
I'll go there be a citizen of you
And I'll meet you, I'll meet you at the mouth

I will meet you, I will meet you at the mouth
I will meet you, I will meet you at the mouth
I will meet you, I will meet you at the mouth
I will meet you, I will meet you at the mouth
