(Dwight Yoakam)

You keep calling me
On the telephone
You say you're all alone
Well, that's too bad

You keep leavin'
Notes stuck on my door
Guess you're hungry for some more
Girl that's too bad

'Cause I ain't that lonely yet
No I ain't that lonely yet
After what you put me through
No, I ain't that lonely yet

Once there was this
Spider in my bed
I got caught up in her web
Of love and lies

She spun her chains
Around my heart and soul
Never to let go
But I survived

'Cause I ain't that lonely yet
No I ain't that lonely yet
After what you put me through
I ain't that lonely yet

There's nothing left
That you can do
To try and bring me 'round
'Cause everything you do
Just brings me down

Oh, and I ain't that lonely yet
No I ain't that lonely yet
After what you put me through

Oh, I ain't that lonely yet

Hey, I ain't that lonely yet

No I ain't that lonely yet

After what you put me through Oh, I ain't that lonely yet
