(Dwight Yoakam)

Chorus:

He's a dangerous man
He's got blood in his plans
Better watch out where you stand
'Cause he's a dangerous man
He'll make you believe that he's your friend
But don't forget it's just pretend
And he's a dangerous man

He'll tell you the right things
About all the wrong people
He'll smile and he'll say "Hey, you and me
We think just he same"
You better make sure that you read
All the rules first
'Cause he runs a crooked game

Chorus:

He's a dangerous man
He's got blood in his plans
Better watch out where you stand
'Cause he's a dangerous man
He'll make you believe that he's your friend
But don't forget it's just pretend
And he's a dangerous man

His words are all vain
And his promise is empty
His message is loud
But it ain't meant to be clear
He hides all the clues
That have left his hands stained and dirty
And he'll wash them with your tears

Chorus:

He's a dangerous man
He's got blood in his plans
Better watch out where you stand
'Cause he's a dangerous man

He'll make you believe that he's your friend
But don't forget it's just pretend
And he's a dangerous man
