(Dwight Yoakam)

I wouldn't put it past me  
I wouldn't press my luck  
If I were you I don't believe  
I'd take that chance with love

Chorus:

A big chance you'll be taking  
The wrong odds is what you're staking us on  
And any love you wind up making  
Won't pay back half of all we've lost

I wouldn't play so boldly  
Or push a sure thing too long  
'Cause your luck can get thin, bets not win  
Then pretty soon love's up and gone

Chorus:

A big chance you'll be taking  
The wrong odds is what you're staking us on  
And any love you wind up making  
Won't pay back half of all we've lost

So, I wouldn't put it past me

I wouldn't keep risking heartache  
In any more games like these  
'Cause there's a way to lose hard with every card  
You'll find out on your knees

Chorus:

A big chance you'll be taking  
The wrong odds is what you're staking us on  
And any love you wind up making  
Won't pay back half of all we've lost

So, I wouldn't put it past me

I wouldn't put it past me  
I wouldn't press my luck

If I were you I don't believe  
I'd take that chance with love

Chorus:

A big chance you'll be taking  
The wrong odds is what you're staking us on  
And any love you wind up making  
Won't pay back half of all we've lost I wouldn't put it  
past me
