(Wilbert Harrison)

Together we stand
Divided we fall
Come on now people let's get on the ball
Let's work together
Come on, come one, let's work together

Make someone happy
Make someone smile
Let's all work together and make life worthwhile
Let's work together
Come on, come on, let's work together
Together we will stand every boy
Every woman and man

2 or 3 minutes
2 or 3 hours
What does it matter in this life of ours
Let's work together
Come on, come on, let's work together
Together we will stand every boy
Every woman and man

When things go wrong as they sometimes will
When the road that you travel seems all up hill
Let's work together
Come on, come on, let's work together
Together we will stand every boy
Every woman and man

'Cause together we will stand every boy
Every woman and man

Yeah together we will stand every boy Every woman
and man
