(Alan Rose, Don Helms)

One day the train was passing, I caught it comin' by  
To look this old world over, under God's blue sky  
My darlin' stood there weepin' as I was lookin' back  
I kissed my baby cryin' in the smoke along the track

Chorus:

Bye, bye, so long, there's something down the track  
It's callin' me  
Bye, bye, so long, I guess that's just the way  
I'll always be  
Now when I get this feelin'  
Don't try to hold me back  
I'll only leave you cryin'  
In the smoke along the track

I like to keep on goin', it helps me when I'm blue  
I get the urge to travel, that's all I want to do  
I know I just can't settle down because I like to roam  
And when I hear that whistle blow I gotta move along

Chorus:

Bye, bye, so long, there's something down the track  
It's callin' me  
Bye, bye, so long, I guess that's just the way  
I'll always be  
Now when I get this feelin'  
Don't try to hold me back  
I'll only leave you cryin'  
In the smoke along the track

I know my baby loves me, I love my baby too  
But she don't understand me when I'm feelin' blue  
And when I hear that whistle blow I hurry home to pack  
And kiss my baby cryin' in the smoke along the track

Chorus:

Bye, bye, so long, there's something down the track  
It's callin' me  
Bye, bye, so long, I guess that's just the way

I'll always be  
Now when I get this feelin'  
Don't try to hold me back  
I'll only leave you cryin'  
In the smoke along the track
