Caught in a trap  
Can't walk out  
Because I love you too much baby  
Why can't you see  
What you're doin' to me  
When you don't believe a word I say

We can't go on together  
With suspicious minds  
We cannot build our dreams  
On suspicious minds

Well, there's an old friend I know  
Stopped by to say hello  
Well, I still see suspicion in your eyes  
Here you go again  
Asking where I've been  
Can't you see these tears are real I'm crying

We can't go on together  
With suspicious minds  
We cannot build our dreams  
On suspicious minds

Oh, let our love survive  
I'll dry these tears from your eyes  
Let's don't let a good thing die  
Honey, you know, I'd never lie  
No, never lie  
Yeah, yeah

Caught in a trap  
I can't walk out  
Because I love you too much baby  
Why can't you see  
What you're doin' to me  
When you don't believe a word I'm saying

Caught in a trap  
Can't walk out  
Because I love you too much baby

Caught in a trap  
Can't walk out  
Because I love you too much baby

We're caught in a trap  
We can't walk out  
Because I love you too much baby
